

NOTICE TO THE PUBLIC AND BUISNESSES

The City of Frankfort Recycling Center Has Started An Electronic Equipment Recycling Program (E-Scrap)

The City of Frankfort is implementing a new e-scrap recycling program. The e-scrap program allows you to finally recycle that out dated electronic equipment in an environmentally friendly way. The City of Frankfort Recycling Center is hoping to get your support in making this a successful program.

This E-Scrap program will be **FREE** to the public, schools, and businesses. Please bring your e-scrap electronics to 301 Rouse Ave. to be recycled. The drop-off times are listed below, along with what electronic equipment is accepted.

Drop-off Times

Residential Drop-off-----Monday—Friday 7:00am—2:30pm
Business and Industry -----Must make appointment.
